Intended Outcome

Companies make informed decisions about the level of risk they want to take and implement necessary controls to pursue their objectives.

The board is provided with reasonable assurance that adverse impact arising from a foreseeable future event or situation on the company's objectives is mitigated and managed.

Practice 9.3 - Step Up

The board establishes a Risk Management Committee, which comprises a majority of independent directors, to oversee the company's risk management framework and policies.

Application	:	Not Adopted
Explanation on adoption of the practice	:	

Intended Outcome

Companies have an effective governance, risk management and internal control framework and stakeholders are able to assess the effectiveness of such a framework.

Practice 10.1

The Audit Committee should ensure that the internal audit function is effective and able to function independently.

Application	:	Applied
Explanation on application of the practice	:	<p>The internal audit function is outsourced to an independent professional firm, NeedsBridge Advisory Sdn Bhd, to provide assurance on the adequacy and effectiveness of the Group's risk management and internal control system.</p> <p>The outsourced internal audit function is reporting to the Audit Committee directly. Any proposed internal audit plan and proposed internal audit fees are subject to the review and approval of the Audit Committee.</p> <p>Internal audit reports which include the internal audit findings and recommendations are presented and discussed during the Audit Committee meeting. Update on the status of action plans is followed up and highlighted to the Audit Committee subsequently.</p> <p>To ensure the independency of the internal audit function, internal auditors are not allowed to act on behalf of the management in deciding and implementing management action plans. Audit Committee will assess the objectivity and independency of the internal audit function annually to ensure the function is able to operate effectively.</p>
